

## 2nd Grade Summer Reading Activity

Dear Parents and Guardians,

Over the summer please read the below listed text to help enhance your student's learning. We are asking your students to read the Magic Tree House book Twister for Tuesday. For the summer assignment, we are asking the students to fill out the attached questions that will assess their comprehension of the text. They will need to bring the completed questions and the text to the first day of school. This book will anchor our activities for the first week of school. Thank you so much for your assistance with this assignment. See you next year!

Happy Reading,

Ms. Self and Ms. Lee
